**Corporate Infotainment is a powerful & useful system which delivers professional information & innovative ideas & meeting schedules for the corporate employees & team members.**

MACTRON GROUP presents its expandable fan-less slim type PCAP multi-touch 7", 10.1", 11.6" & 13.3" Panel PC - [WCS0700](#), [WCS1010](#), [WCS1160](#) & [WCS1330](#) - featuring Intel® mobile Celeron® N3160 with TDP 6W.

The slim design provides only 24 mm to 26.8 mm in thickness for WCS0700, WCS1010, WCS1160 and WCS1330, yet the functionalities are not limited by its sizes.

These tiny, slim figure Panel PCs are equipped with at least 5 USB ports. Allowing you to adapt various applications for the customers. And with the embedded pogo pin design, providing modular devices for fast & easy installation to maximize the expandability of the Panel PC.

The modular pogo pin devices are Mag-stripe Reader, NFC, 2D & 1D Barcode Scanner as optional accessories.
